

PENNTEX
CONSTRUCTION MANAGEMENT
GENERAL CONTRACTING

To whom it may concern.

The warehouse construction project at 1625 Heilmandale Rd. Lebanon PA will be pouring concrete at night starting 5-24-21 through 11-30-21. The concrete pouring will start as early as 12:30am and the finishing and saw cutting should be complete by 9:00pm. The concrete will be coming from both onsite and off-site batch plants. Various measures are being utilized to limit the amount of noise during the early morning hours. We will do everything practicable to minimize disturbing any of our neighbors. Any concerns please contact the project Senior Project Manager at jmiller@penntexconst.com

Thank You.
