

## How Get Outdoors Works

There are fifteen “portals” – wooden posts with a unique etching attached – that are hidden in local and state parks in Lebanon County. Visit your local library to register for the **Get Outdoors** program, and you’ll receive a guidebook, called an **Itinerary**, and a rubbing sheet that you can use to record your discoveries. In the **Itinerary**, you’ll find directions to follow that will help you locate each portal.

When you find the portal, you’ll see the etching with a 4-digit code. You can use your rubbing sheet and rub over the sheet with a crayon or pencil to reveal that portal’s artwork and code, **but make sure you remember the 4-digit code** by taking a picture or writing it down. You can enter the code online using the **Beanstack** app to receive credit for that hike. See the **Rewards and Prizes** page in the **Itinerary** or on the website to find out about entries for the grand prize drawing and to receive a participation prize. All hikes must be recorded **no later than Monday, August 19** to receive a participation prize and earn entries into the grand prize drawing.

## Adventure Begins at Your Library

You can also **Choose an Adventure!** this summer by visiting any **Lebanon County Library** for books about spaceships, zoos, binoculars, cities, and more! There are also tons of free library programs planned just for you! Check out the **Summer Learning Program** at [lclibs.org/summer-learning/](http://lclibs.org/summer-learning/). Then log your minutes and **GO Lebanon!** portals in the Beanstack app to make them count and earn chances to win amazing prizes.

Visit [www.golebanon.org](http://www.golebanon.org) for more information and to download your copy of the **2024 Itinerary** and other materials!

Ask to join the Facebook page by searching “Get Outdoors (GO) Lebanon.”
