- Do you have limited mobility?
- Do you require power for your medical devices?
- Do you have a visual or hearing impairment that would impair your ability to know that a disaster is imminent or that an evacuation is needed?
- Do you have a child with special needs?
- Do you have special medical needs?
- In an emergency, time counts. In a disaster, time becomes even more crucial.
- During disasters it is imperative that your local emergency services providers know who needs their assistance.

Your information will be kept confidential and will only be used for emergency planning and response efforts.

Your participation is voluntary...but we hope that you will help us...to help you!
