January 12<sup>th</sup>  
February 9<sup>th</sup>  
March 9<sup>th</sup>

January 6<sup>th</sup>  
February 3<sup>rd</sup>  
March 3<sup>rd</sup>

### Park & Rec

## There's Snow Place like Home

### *Ice and Snow, Take it Slow*

Freezing temperatures & slick roads, keep these safety tactics in mind while navigating this winter season:

- Ensure your tires and antifreeze are ready for the winter weather.
- Adjust your driving depending on road conditions.
- Avoid traveling in inclement weather.
- Keep a winter kit handy which includes a first aid kit, blankets, water & flashlight.
- Never leave a fire or candle burning unattended.
- Keep all heating sources free of clutter to avoid fires.
- Wash your hands often as cold and flu season is in full swing.
- Stay hydrated and dress in layers.
- Wear shoes with good tread to avoid slips.
- Clear walkways and driveways after snowstorms to avoid injury.
- Use proper bending techniques while shoveling.

### REMINDER:

NLT **ONLY** ACCEPTS: **Cash, Check, or Money Orders.**  
**NO DEBIT OR CREDIT CARDS** will be accepted in the office!

## SNOW PLOWING INFORMATION

Please **DO NOT PARK vehicles ON SNOW EMERGENCY ROUTES** during a snowstorm,  
**Violators WILL be towed at owners expense.**

During significant snowfall, our Township road crew aims to keep roads safe and passable. Main routes are cleared first, followed by secondary roads and developments. Some secondary areas may experience delays. Please avoid parking on the street so plows can work efficiently, and follow state guidelines when shoveling or plowing near driveways along state or Township roads.

### DAMAGES FROM PLOW TRUCKS OR SNOW

Reminder: Per State Law, the Township is not responsible for repairs to vehicles parked in the street, mailboxes, sports equipment, or other private property damaged by plow trucks or snow thrown by plows.

We work hard to avoid damage while plowing, but our top priority is keeping township roads clear and safe for travel. To help reduce the chance of damage to your property, please follow these tips:

- Make your mailbox sturdy enough to handle snow pushed by passing plows. (If it seems vulnerable, a protective shield can help.)
- Remove sports nets and any personal items from the Township Right of Way during snow season.
- Park in your driveway whenever possible to avoid vehicle damage.

### Medical Routines - Lebanon Co Dept of Emergency Services

We have started working with the DES regarding regular medical routines. Residents with health issues which require frequent visits to/from medical facilities are encouraged to communicate to the DES. They have an Emergency Preparedness Access & Functional Needs Registry Brochure. Your participation is voluntary.

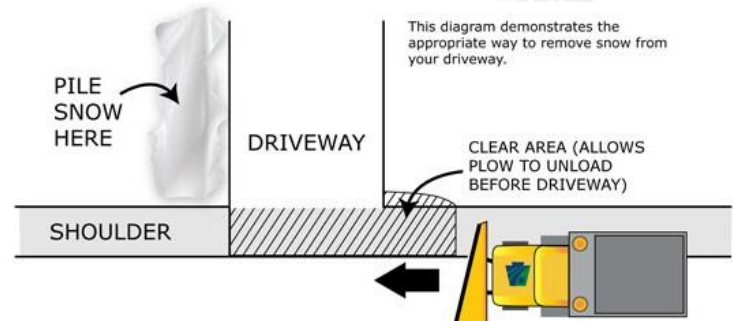

For a copy of the brochure or to register, please refer to our website located under Police Department, EMA Information, or stop by the office.

Please help to clear snow and ice from fire hydrants & storm drains

Minimum clearance of 3-4 Feet required surrounding all Storm drains & Fire Hydrants

Snow Shoveling Tip: Leave a clear space to the right of your driveway so plows can unload as they pass. This reduces the ridge left at the end of your driveway and helps prevent getting plowed in. Keep piles low near driveway entrances for safe visibility. Never push snow or ice into the roadway—this is hazardous and violates Ordinance #1-1999 and may result in citation by LCRPD.

## List of PennDOT Roads in North Lebanon Township

(PennDOT is in charge of snow plowing the following roads. Please phone PennDOT with any concerns at 717-450-2223)

Ebenezer Road	State Route 422
Grace Avenue	State Route 72
Heilmandale Road	Tunnel Hill Road
Hill Church Road	Weavertown Road
E. Maple Street	(from E. Maple St. to R Field & Stream)
Mt. Zion Road	15th Avenue
North 22nd Street	(North of St. Rte. 422 to Weavertown Road)
Prescott Drive	7th Street (State Route 343)
Sandhill Road	

The following developments and roads are not dedicated to the Township which means the Township is not responsible for plowing these roads:

\* Crossings @ Sweet Briar Ph.4  
\* Mapledale Estates \* Towns Edge

The North Lebanon Township Board of Supervisors have adopted an ordinance declaring certain streets in the Township to be posted as **SNOW EMERGENCY ROUTES** throughout the Township. Chapter 15, Section 111 (Ordinance No. 2-2014) states: After any snow emergency has been declared it shall be unlawful, at any time during the continuance of the emergency, for any person to: Park a motor vehicle or to allow that vehicle to remain parked anywhere on any snow emergency route. Emergency information can be found online or on local TV/Radio Stations.

**SIGN UP FOR CRIMEWATCH NOTIFICATIONS**

**LCRPD.ORG**

**CAUTION** is urged when approaching any Township vehicle (whether on foot or driving). Visibility is a definite problem when operating these larger trucks. **NEVER** approach the front of the vehicle unless the driver acknowledges you. Your safety is important to us.

## WASTEWATER

Water is life. Help protect it by throwing trash in the wastebin & not the toilet. Flushing wipes, diapers or other non-flushables harm the environment and can lead to costly repairs for both you and for the municipality.

**TOILETS ARE NOT TRASHCANS™**

REMINDER: Only Flush the 3 P's:  
**Pee, Poop & Toilet Paper!**

## Hanging Tree Branches and Dead Trees

Low hanging branches have been known to cause damage to Township equipment and trucks. This is especially bad when they are laden with ice and snow. Property owners are responsible for trimming trees, plants and bushes. If property owners do not trim trees and plants, the Township is allowed by state law to trim trees within the Right-of-Way to provide for the safety of motoring public. Dead trees are more likely to topple over due to accumulated ice and snow during the winter months as well as during high winds. Residents with dead or diseased trees along Township roads should consider having them removed. Thereby reducing your risk of liability should they fall onto passing motorists, utility lines or damaging neighbors' property.

## PARKS & RECREATION

### ALL PARK PAVILION RENTALS

Annual park pavilion rental fees are due by January 31, 2026 to secure your date. New pavilion rental dates available February 1, 2026. Full kitchen and all open air pavilions require a rental fee. If you are interested in reserving one of the open air pavilions or one of our full service pavilions, please visit the Township Office.

For a full description of all our parks, pavilion rentals, and rules and regulations please visit our website at [www.northlebanontwppa.gov](http://www.northlebanontwppa.gov).

Weekday rentals are available at a reduced rental fee.

## YARDWASTE RENEWAL 2026

Effective January 1st all yard waste cards will be deactivated and are subject to renewal for the new year. The residential fee for 2026 will remain the same at \$ 50.00 for the year. Cards can be renewed in person or by printing off the form from our website and placing your payment plus your completed form into the Township's overnight drop box. Winter yard waste hours are as follows:

November - March

Monday through Saturday 7:00 am - 5:00 pm

Sundays 12:00 pm - 5:00 pm

1740 State Route 72 N  
Lebanon, PA 17046  
717-272-0891

## RECYCLING AT THE TOWNSHIP

**YES** →

Dry single, double or triple walled packaging boxes **CAN** be recycled at the NLT Recycle Yard

← **NO**

Paperboard & greasy pizza boxes are **NOT** able to be recycled at the NLT Recycle Yard

**YES** →

When recycling newsprint at the North Lebanon Township Recycling Yard, please do **NOT** include bags or bands. Loose newsprint ONLY.

## RECYCLING CURBSIDE

- Plastic Bottles & Jugs
- Metal Food & Beverage Cans (*aluminum & steel*)
- Glass Bottles & Jars (*clear, green, brown*)
- Corrugated Cardboard (*flattened*)
- Newspaper (*loose*)

*Ask your hauler how items should be set at the curb. Questions about batteries, hazardous waste, or other recycling? Call the NLT Recycling Coordinator at (717) 273-7132 or GLRA at (717) 867-5790.*

## CHRISTMAS TREE DROP-OFF

The Township will again provide an area for live **undecorated** Christmas trees. This is for trees only. Please do **not** box or bag the tree. Drop off will be permitted from **December 26, 2026 through February 13, 2026**. The drop-off area is marked and located outside the yard waste facility gate.

**\*NO PAINTED TREES WILL BE ACCEPTED\***

## STORMWATER

Stormwater Bills will be Sent 1/9/2026 - **DUE 2/9/2026**

What is stormwater? It's the rain and snowmelt that runs off impervious surfaces—sidewalks, driveways, parking lots, roads, and roofs. As it moves, it can pick up oils, fertilizers, pesticides, fuel, grease, and other debris, carrying them into streams and rivers where they can harm wildlife and people. Too much impervious area also increases flooding during heavy storms.

Since the Stormwater Fee began in 2018, hundreds of trees have been planted and shoreline restorations completed projects that otherwise wouldn't fit the budget. This work helps North Lebanon Township meet state and federal rules, operate and maintain the MS4, and fund drainage improvements. The Stormwater Consortium of six Lebanon County municipalities has also tackled projects countywide to reduce pollution.

How can North Lebanon Township residents help? A few ideas are clean up pet waste promptly, planting trees or installing rain gardens, disposing of yard waste and trash properly, directing stormwater runoff toward lawns or other absorbent areas for infiltration.

## CHECK WRITING

When writing out checks please ensure each step is completed just like the referenced photo!

When writing checks to the Township, it is good practice to include a phone number somewhere on the check so we can easily reach out to you in the case of issues with the payment.

**\*\*Never use white out, & always initial corrections on checks**

1. Ensure the date is correct \*Reminder that once the new year rolls around, please write 2026!
2. Make check out to North Lebanon Township for Stormwater payments & NLTMA for sewer payments.
3. Make sure numbers are legible, accurate and completed.
4. Longhand portion must also be legible and must match the numerical portion of the check.
5. Checks must be signed without exception.
6. Please write the associated account number in the memo line.

## SEWER PAYMENT INFO

Sewer Bills Sent 2/10 - Sewer Bills Due 3/10  
 Sewer Bills Sent 5/10 - Sewer Bills Due 6/10  
 Sewer Bills Sent 8/10 - Sewer Bills Due 9/10  
 Sewer Bills Sent 11/10 - Sewer Bills Due 12/10

Mail or drop off payments at the Township Office using **CASH, CHECK, or MONEY ORDER**. Post-dated checks will **NOT** be accepted and will be returned by mail. Card payments are **NOT** accepted in the office.

ACH payments made through your bank **do not** post directly to your sewer account. Your bank issues a paper check and mails it to the Township via USPS. Your account is credited only after the check is received. If you use this method, schedule payment at least *seven to ten business days before the due date*. Checks received after 4 pm on the due date are late and the late fee will apply.

To have your payment applied immediately, use our online portal by logging on to <https://northlebanon.authoritypay.com>. Your **ACCOUNT NUMBER** and **CID NUMBER** (found on your bill) are required. You will need to add each Sewer and Stormwater account separately and set up separate payment methods as well. **Auto Pay** is also available online. Payments process on the due date. Credit cards can be used online only. Questions? Call the office or visit <https://northlebanontwppa.gov>, then choose "Online Payment Information" under Quick Links.

**Didn't get your bill a few days after it was mailed? Contact the Township Office at 717-273-7132 for your balance to avoid any late charges. The Township is not responsible for mail that's misplaced or not delivered.**
