Changes Coming to the
Yardwaste Facility
in November

For more information see page 3

Trick or Treat is on **Thursday,**
October 29th from **6pm - 8pm**
Rain or Shine

Election Day is November 3, 2026

For voting registration information please call 717-228-4428

FALL BRUSH CLEAN-UP WILL BE OCTOBER 12, 2026

Only **ONE** collection sweep of the Township will be made.

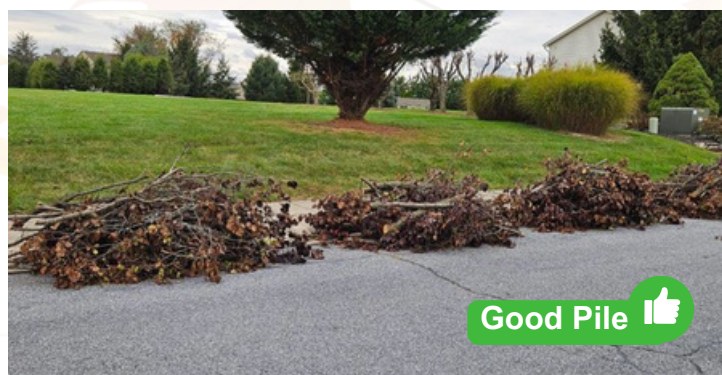

Please have all items curbside by 6:00 am on October 12th. There will be **NO** return trips.

ACCEPTABLE ITEMS

BRANCHES, STICKS & TWIGS

Only these items will be collected

- All branches must be cut to **6 ft. in length or smaller** and be less than **6 in. in diameter**.
- Place in neat **6ft. - 8ft. long** piles and as high as **4ft. high** along the curbside.
- Please place piles parallel to the curb.

UNACCEPTABLE ITEMS

WHICH WILL NOT BE COLLECTED

- ❌ Non-wood Items, or furniture
- ❌ Root systems, grass clippings or mulch
- ❌ Sod of any kind
- ❌ Chemically treated products

Any unacceptable items will be left on the property and will be the owners responsibility.

The Township will not drive down private lanes/alleys to pick up material. All material must be brought to the end of the lane/alley to be accessible for pick up from the nearest street. Please combine neighboring small piles together to make 1 large pile.

LEAF COLLECTION WILL BEGIN

OCTOBER 19, 2026

Only **ONE** sweep of the Township will be made **EACH WEEK**.

Leaf Collection will begin on October 19th and end on December 4th OR will cease on the first measurable snowfall, whichever comes first.

NO COLLECTION ON - Nov. 3rd, Nov. 11th, & Nov. 26th

PLEASE: Rake leaves out 2' away from curbing or within 6" of roadside. Leaves to be collected should be placed away from mailboxes, cars, and other objects to allow space for equipment to operate. Be aware that collection is for leaves **ONLY**. Any other brush or debris will damage the equipment and **WILL NOT** be collected.

DO NOT: Place sticks, twigs, ornamental grass, or any other items in leaf pile. Do not park vehicles on top or near piles to be collected, and please **do not bag leaves**.

REMINDER: There will be a sweep of the entire Township every week. If you do not have your leaves out when the truck passes, leaves will be picked up the following week or can be brought to the NLT Yard Waste Facility if you have a permit. Please do not call the office to request leaf pick up, as there will be no special trips made.

In the event of inclement weather leaf collection may be postponed.

Yardwaste Access Updates this November

In late November, the Township will be getting a new keycard system for the yardwaste facility. What does this mean for you and your pass? Here is some helpful information that should answer all of the questions and unknowns. If you need to access the yardwaste facility and your card does not work, please come into the office for assistance. You will either be granted access or issued a new card for the remainder of the calendar year. Come 2027, you must come renew your membership as usual. If you were not given the new card at the end of 2026, you will be issued one at that time. For questions, concerns or for more information, please reach out to the Township by calling 717-273-7132.

WASTEWATER

Sump Pumps - Never connect sump pumps, downspouts, or other surface-water sources to the sanitary sewer. These extra flows increase treatment costs and can overload the system.

Sewer Clean-outs - Repair broken clean-outs promptly. They can let groundwater into the sewer system, overload pump stations, and increase the risk of backups.

Grease - Never pour grease down sinks or toilets. Let it cool, then place it in the garbage. Grease can clog both on-lot and public sewer systems.

Sewer Laterals - Keep trees and shrubs away from sewer laterals. Roots can clog or break pipes, allowing groundwater in and causing backups.

Disposable Wipes - Despite product claims, wipes can clog pump stations and sewer lines. Flush only human waste and toilet paper.

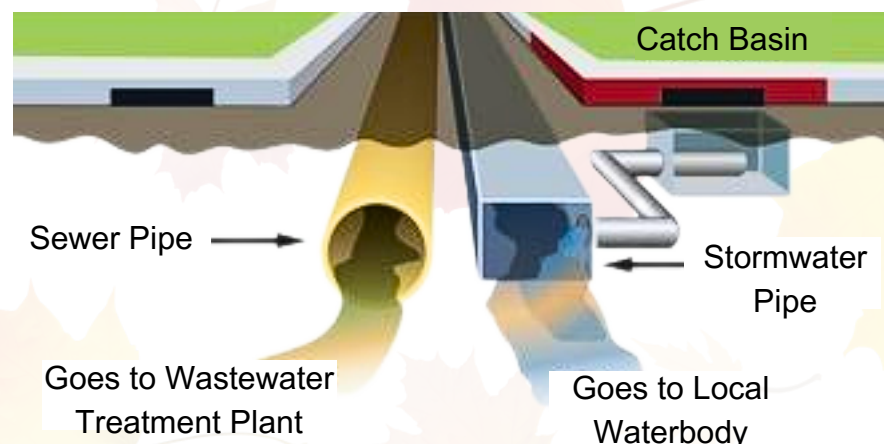

Garbage Disposals - Use disposals only for food scraps. Bones and other garbage can clog or damage the unit and sewer lines.

WHAT IS MS-4?

Municipal Separate Storm Sewer System

MS-4s are separate from sanitary sewer systems. They are designed to carry stormwater discharge, often untreated, into local waterways. MS-4s are regulated under the Clean Water Act's National Pollutant Discharge Elimination Systems (NPDES) program. This requires MS-4 operators to obtain permits and implement programs to reduce pollutants in stormwater runoff, ensuring water quality standards are met.

*The annual MS-4 Public Educational Presentation will be held on Monday, November 16th, 2026 at the Board of Supervisors regularly scheduled meeting beginning at 7:00 pm at the Township Building.

PARK & REC

Did you know that there are still trees and benches available for dedication in some of our Township's parks? For more information, call our office at 717 273-7132 or stop by during our normal business hours.

Park Renovations

Over the last year, Lions Lake Park has had quite the facelift! From freshly stained pavilions, to repaving walking paths, the Township Crew have been working tirelessly to ensure that our parks stay beautiful for many years to come. If you haven't had a chance to check out their hard work, make sure to swing by Lions Lake Park to experience it for yourself.

Schools back in Session!

Let's continue to keep our children safe by following these easy steps for School Bus Safety!

With our schools now back in session, school buses will be transporting our children throughout the Township. The Pennsylvania Vehicle Code prohibits passing a school bus when its red lights have been activated and the side stop sign is being displayed. It further requires the driver of a motor vehicle to stop at least 10 feet from a school bus taking on or discharging children. The driver of a vehicle must remain stopped as long as the red signal lights are flashing and the side stop signal arms are activated.

The penalty for violating and failing to comply with the requirements of a driver when approaching a school bus with its red signal lights flashing and the side stop signal arms are activated is:

- A fine of \$250.00 plus costs
- Loss of driving privileges for 60 days
- 5 points on your license

Stopping for a school bus is not a suggestion, it is the LAW!

LEBANON COUNTY REGIONAL POLICE

The Township continues to have an abnormally high amount of thefts of and from motor vehicles. Please keep your vehicles locked, and remove any valuables, including keys from the vehicle each time you exit. For items that must remain in your vehicle, please keep them enclosed in the glovebox or center consol. Don't forget to subscribe to alerts online and follow them on Facebook!

IMPORTANT REMINDER**Sewer Bills are ALWAYS DUE****March 10th****June 10th****September 10th****& December 10th****Sewer Department & Billing information**

If you haven't received your bill at least two weeks prior to the due date, we recommend calling the Township Office at 717-273-7132 to check your balance and avoid any late charges or penalties. Please note that the Township is not responsible for lost or undelivered mail.

Please note: for your convenience, if you happen to come by after office hours, you may drop your bill payment in our secure drop box. PLEASE make sure your payment is in an envelope or otherwise secured to the bill voucher or another form of account identification.

Want to pay online? Log on to <https://northlebanon.authoritypay.com>

To utilize the online payment portal, you will need your **ACCOUNT NUMBER** and **CID NUMBER**, both found on your bill. Each Sewer & Stormwater account and the corresponding payment methods must be *added separately*. For assistance, please contact our office or visit our website at <https://northlebanontwppa.gov> and click on “**Online Payment Information**” under Quick Links.

Payments can be mailed or dropped off at the Township Office in the form of **CASH**, **CHECK**, or **MONEY ORDERS**. Post-dated checks will **NOT** be accepted and will be returned by mail. Please be aware that card payments are **NOT** accepted in the office.

ACH transactions through your bank do not automatically apply to your sewer account. Your bank will deduct the amount from your account, print a paper check, and mail it to the Township through the United States Postal Service. Your sewer account will only be credited upon receipt of the check. To ensure timely processing, we recommend scheduling your sewer payment to be deducted from your account at least seven to ten business days before the due date. If the check arrives at the Township office after 4 PM on the due date, it will be considered late, and applicable late fees will apply. The only way to have your payment directly applied is through our online portal.

Auto Pay setup is also available online! Automatic payments are processed on the due date. Credit card payments can be made **ONLINE ONLY**.

REMINDER:

NLT **ONLY** ACCEPTS: **Cash, Check, or Money Orders.**
NO DEBIT OR CREDIT CARDS will be accepted in the office!
